

PLAY WITH MANATEES!

November 14 - 16, 2008

January 23 - 25, 2009

February 20 - 22, 2009

Come snorkeling or diving with the West Indian Manatee at Crystal River. The manatee makes the Central Florida Springs it's winter home due to warmer water temperatures. Don't miss out on the thrill of swimming next to this friendly creature. We'll also dive Rainbow River, a hiding place for Seminole Indian Artifacts and Ancient Fossilized Creatures. Diving Rainbow River is an easy drift dive with plenty of fish-life and lots of opportunities to stop and check out the "boiling bottom". Magnificent Live Oaks with signature moss draped overhead makes this a beautiful spot to dive. This two-day trip is great for a Quick Dive Getaway, or completing your Open Water Certification.
