

SeaVentures Learning Agreement

Welcome to SeaVentures SSI Scuba Rangers Program. Dive training courses are meant to be fun, but like any form of learning, you will need to invest some time and effort into reading and studying. This learning agreement is between you, the student, and SeaVentures instructional staff, regarding our mutual responsibilities in this program.

Student Responsibilities

- Watch the SSI Scuba Rangers Program Video.
- Read the appropriate Scuba Ranger Specialty section of the course manual and complete the corresponding "Knowledge Challenge".
- Follow all course procedures as set forth by the instructor.
- Ask questions about anything that is not understood.
- Show up for all sessions on time.

If the student fails to arrive on time, it may be necessary to make up the work and continue the class at a later date. At this point, the student will be responsible for any additional costs for make-up sessions. SeaVentures agrees to give every reasonable consideration to unforeseen events, such as family emergencies that lead to this situation. **The student should give a minimum of 48 hours notice. If the student fails to show up for the class, there would be no refund on that Scuba Ranger session.**

Instructor/Staff Responsibilities

- Be ready to start class as scheduled.
- Provide the student with a positive learning environment in which to master all objectives.
- Answer the student's questions to the best of their ability.
- Assist the student through learning challenges.
- Provide opportunities for you to comfortably master course performance objectives.
